

SILENT AUCTION

TOLLER KENNEL/FRIENDS

BASKETS

This year we are going to challenge Kennels and in addition groups of friends to get together to create theme baskets for our Silent Auction baskets. We challenge each (1) Kennel or (2) form your own group of friends with dogs from different kennels to develop a theme basket for the Silent Auction. This is a great way to support the Specialty.

The grand prize for the basket earning the most money in the Silent Auction will be a full page advertisement in Quackers to advertise your successes and showcase your dogs. Second Prize will be a half page advertisement in Quackers.

This is how it works:

- Decide to sponsor a basket either from your kennel or your group. A basket can also be a bag, bucket or other suitable container to showcase the items included.
- For a Kennel Basket please reach out to owners from your kennel or your friends and ask them to donate something to represent their part of the country, an activity that they participate in with their dog or their favorite treat or toy.
- Please contact Raffle Chairperson Ginger Willis (k9gin@centurylink.net) if you plan to participate by 1 September. She will supply you with a mailing address for your basket if you are not able to transport it yourself. She will also assemble the basket if you are not able to attend.

Get your groups together and let's
all support the Specialty
